No. C2 PR 61/52 53 dated 4.12.52

Requesting sanction to the purchase of 9 Refuse carts with A D U equipment at a cost of Rs 6,255/ and 10 night soil carts at a cost of Rs 5000/ as approved by the municipal Council in the Resolutions dated 5.9.52 and 5.11.52.

Necessity of adequate number of Carts for the removal of Refuse is one essential necessity in the interests of the health of the citizens and there can be no structure of Expenditure on this account

2) It is seen from the Commissioner's Report that at present there are 30 Refuse Carts and 13 night Soil Carts in the Municipality as against the actual need of 53 and 42 respectively which is inadequate To fulfil fartherly the requirements 23 more of Refuse Carts and 29 more of night Soil Carts are necessary to be purchased The municipal Council has however

(Through the President)

Sir,

Subject - Purchase of Night soil and Rubbish carts

I write to state that the number of rubbish carts and night soil carts working at present are 30 and 13 respectively as against a requirement of 53 and 42 respectively The Health Officer having brought the abnormal inadequacy to the notice of the Health Committee he was requested to put up proposals for the purchase of the same to obtain it locally from one Mohamad Peer a local contractor Accordingly the Health Officer placed a note before the Health Committee at their meeting held on 12-5-1952 to the effect that as against 23 rubbish carts and 29 night soil carts required to make up the deficiency, 9 rubbish carts with A D V equipment and 10 night soil carts might at least be purchased this year at a cost of Rs 5250 (at Rs 575 each) and Rs 5600 at Rs 560 each) respectively The proposal was recommended by the Health Committee and the Council at their meeting held on 12-8-1952 and 5-9-1952 respectively Copies of the resolutions are enclosed As the rubbish carts proposed to be purchased at Rs ~~585~~ 575/- were for carts fitted up with wooden wheels with $1\frac{1}{2}$" axle and the carts with rubber tyres, tubes and ball bearings and 2" axle were preferred, it was reported by the Health Officer that the cost per each rubbish cart

would be increased by Rs 120/- This enhancement was also approved by the Health Committee and the Council at their meetings held on 13-10-1952 and 5-11-1952 Copies of the resolutions are enclosed

In these circumstances, I request that orders of Government may be obtained for the purchase of 9 rubbish carts with ADV equipment at a cost of Rs 6255/- (at Rs 695) and 10 night soil carts at a cost of Rs 5600/- (at Rs 560 each)

The cost on this account will be met out of the provision of Rs 12,000/- under purchase of rubbish and night ~~xxxii~~ soil carts in the current year's budget

Yours faithfully,

(F M Abdul Rahim)
Municipal Commissioner
